Help us fundraise

We have already had to raise funds and draw on our reserves. Our attention must now turn to the church clock and bells. Many villagers have commented on the poor condition of the clock and would love to see it restored. Others say how much they miss hearing the bells. If you care about the future of this historic landmark, please consider making a donation. Your support will help ensure that the church can be preserved and enjoyed by future generations.

Gifts can be given to:

Account name: Parochial Church
Council of Kirby Misperton Parish
Sort Code: 20-67-91
Account No. 90832235

One off gifts can be made at the Tea party or any service. Please mark your gift Clock/Bell Project.
